SPIDERS PILED UP GREAT SCORE

William and Mary Woefully Defeated in Fast Game

CONTEST CLEAN AND FURIOUS

Visitors Scored in First Half But Were Outclassed in Second.

In one of the most exciting and enthusiastic intercollegiate games ever witnessed in Broad Street Park, Richmond College yesterday afternoon defeated the College of William and Mary to the tune of 23 to 5. It was a game of splendidly displayed valor and skill, but the odds were against the Orange and White, fake end runs against which the visitors were powerless, had their sway, and bravely fighting every inch of ground to the bitter end, William and Mary tasted the gall of defeat.

Hard fought, closely contested over every line, the game was clean throughout. There were no demurs on either side. and fairness characterized the decision of every point. Skill was matched against skill, game spirits against spirits, and in the end superjor skill won.

About four hundred people witnessed the game, and among the crowd were about one hundred from "Ye Ancient about one hundred from "Ye Ancient" Capital," ladies, students and citizens of the old town. Banked on one side were the Richmond College rooters, and on the other, those who raised their cheers, even in the moment of defeat, for the trailing

in the moment of defeat, for the trailing Orange and White. Intense enthusiasm on both sides characterized the contest, and interest and excitement reigned supreme until the ball salled over the goal for the last time.

In the williamsburg rooters were the fairest belies of the town, among them being Miss Russell, who attracted so much attention during morse Show week under a mistaken identity. On the other hand there were seen the fair ones who waved their hanners for the yietorious Spiders. banners for the victorious Spiders

Got First Touchdown.

Got First Toucndown.

In the first half it seemed that William and Mary would carry everything before them, as by steady plunging through the Richmond line they scored a touchdown in the middle of the half, and kept the half in their possession and in their ball in their possession and in their ball in their possession and in their territory nearly the whole time. In the territory nearly the whole time. In the second half the Spiders snowed their marvelous way of bracing together and spurting at a close call, and it was this that brought them their well deserved victory. In the second half Miller went round the visitors' end for sixty yards, and made the star play of the whole game. This tied the score, as Mensch failed to kick goal, and many thought the game would end in a tie. But it was not to be, for the Spiders put their fake end plays into good effect, and two not to be, for the Spiders put their fakeend plays into good effect, and two
more long gains were-made, bringingthe score up to 23 to 5, in favor of the
local team. When Miller made his tremendous gain, knocking the ends right
and left, and gaining a clear field, the
local rooters went wild. Hats were flung
in the air, throats yelled hoarse, and
for the time pandemonium reigned supreme. It was a splendid play, and
Miller deserved all the enthusiasm that
was given him. Miller won across the
goal for the second time, was followed
by Bowen, and then Throckmorton, Richmond's redoubtable half, made a break by Bowen, and then Throckmorton, Richmond's redoubtable half, made a break for thirty-five yards, and went over for the first score. And so with her brilliant dash and speed Richmond won the game, while William and Mary fought garnely to the last, but to taste of the bitter dust. It was the first championship game of the season, and the local rooters yelled themselves hoarse and carried their men bodily off the field in their great delight that the first victory was theirs.

NEW YORK, November II.—The rumors that John J. McGraw was to quit base-ball were dispelled yesterday by his signing a three-year contract to manage the Giants, after a brief conference with President John T. Brush. The plans for next year were discussed, and the advisability of taking the team to California or to Cuba for training were taken under advisement. It is possible that the former ground will be selected, although nothing definite has been determined upon. A very inviting proposition has been made to the Glants to go to California, as the populace of that section are very anxious to see the World's Champions. Minager McGraw fears, however, the effects of the long trip eastward, after the team has gotten into shape.

McGraw will remain in New York for a while, and after the holidays will probably go to Hot Springs, where many of the Glants usually join him after the first of the year.
